For notifying parents and students before the
Fun With Science Presentations
Take place at your site:

Dear Students and Parents,

Date:

Our class will have the opportunity to view science demonstrations in chemistry and physics given by presenters from the Lawrence Livermore National Laboratory. These demonstrations have been experienced by audiences in many locations and by different schools and organizations. We want to inform you that during the demonstrations some common chemicals are used by the presenters to demonstrate chemical reactions, and there may be exposure to moderately loud noises taking place in the room.

Please give us permission to have your student/child join our class/group as we view these interesting and educational science experiences from the Lawrence Livermore National Laboratory.

_____ I give permission for my child _____ to view the science demonstrations given by the Fun With Science Program from Lawrence Livermore National Laboratory.
